- The Public Safety Department is currently looking for applicants for Public Safety Officer. Please visit our website, [www.beverlyhillspolice.com](http://www.beverlyhillspolice.com) to see if you qualify.
- Warm weather brings out motorcycles and bicyclist. Look twice and save a life.

Memorial Day is on the horizon, marking the unofficial start of the summer season. As people host barbecues and pool parties to celebrate, personal firework shows are sure to be heard throughout the neighborhood. Before lighting up the night, there are new laws to keep in mind. [In December, new measures were signed into law](#) that reduce the number of days fireworks can be used, give local government more power to regulate the devices.

## **What types of fireworks are legal in Michigan?**

### **Consumer fireworks**

- Bottle rockets
- Missile type rockets
- Aerials
- Reloadable shell devices
- Firecrackers
- Helicopter/aerial spinners
- Single tube device with report
- Roman candles

### **Novelty items**

- Sparklers
- Snaps
- Poppers
- Snakes

### **Low impact fireworks**

- Ground sparkling devices
- Ground-based or handheld sparklers
- Ground sparkling devices
- Smoke devices

## **Display Fireworks**

- Public fireworks shows organized by professionals

## **When can I shoot off fireworks?**

The new law, House Bill 5939, has [significantly reduced the number of days one can shoot off fireworks, from 30 to 12.](#) While the initial law allowed people to light fireworks around federal holidays, the new measure has limited displays to these dates:

- Dec. 31 until 1 a.m. on Jan. 1
- The Saturday and Sunday immediately preceding Memorial Day until 11:45 p.m. on each of those days.
- June 29 to July 4 until 11:45 p.m. on each of those days.
- July 5, if that date is a Friday or Saturday, until 11:45 p.m.
- The Saturday and Sunday immediately preceding Labor Day until 11:45 p.m. on each of those days.

Those who violate the ordinance will receive a fine of \$1,000 for each offense. The ordinance must provide for the remittance of \$500 of the fine collected under the ordinance to the local law enforcement agency responsible for enforcement.

## **Can I display fireworks anywhere?**

No, a person cannot light fireworks on public property, such as schools, churches, or the property of another person without their permission. Those who violate the law can pay a fine as much as \$500.

## **Can anyone sell fireworks?**

According to the Department of Licensing and Regulatory Affairs (LARA), a person cannot sell consumer fireworks unless they have a fireworks certificate. Applications can be completed online and must be submitted by April 1 for the upcoming fireworks season.

- A person must pay a \$1,250 fee for each retail location that is a permanent building or structure, or a \$1,000 fee for each temporary structure. If the application includes 10 or more retail locations that are not permanent buildings or structures, the fee is \$700.
- The certificate is valid until April 30 of the following year.

## **What if I sell fireworks in a temporary space?**

- Under a new law that takes effect on Aug. 1, local governments with a population of 100,000 people or more or a local government located in a county with a population of

750,000 or more will have the authority to regulate temporary structures, such as tents or stands. This can include a restriction on the number of permits issued for a temporary structure, regulation of the distance required between two or more temporary structures, or a zoning ordinance.

## **Can fireworks be banned?**

- Yes, but only under weather conditions. The governor, the state fire marshal or the head of the Department of Natural Resources can ban fireworks use in a county because of dry conditions. In addition, local fire chiefs have the authority to impose burn bans in their jurisdictions if the DNR has issued a fire risk criteria to "very high" for 72 hours.

## **Can I still operate fireworks while drinking alcohol?**

- A person is prohibited from using fireworks while under the influence of alcohol, drugs, or a combination of the two. A \$1,000 fine may be issued for those who violate the law.
- For more information on fireworks regulations, go to [michigan.gov/lara](http://michigan.gov/lara). More importantly be a good neighbor, and watch out for children and pets who may be scared of the fireworks. Freep M. Walker May 14, 2019.
