ADMINISTRATION

The Council appoints the following department heads: Village Manager, Village Clerk, Village Treasurer, and Village Attorney.

All Village departments are under the manager's authority. In lieu of an individual assessing department, the Village uses the assessment services provided by Oakland County through a contract with Southfield Township.

Administration is responsible for the day-to-day operations of the Village and must coordinate, develop, and implement local ordinances, services, community relations, and economic development to ensure the high quality of life for community residents.

COUNCIL-MANAGER GOVERNMENT

The Beverly Hills Charter provides for the Council-Manager form of government. The Village Council is the Legislative branch and sets all Village policy. The Village Manager is the head of the Executive branch and is responsible for the administration of those policies.

COUNCIL

The Council makes policy in the form of laws, ordinances, and resolutions. Council meets twice a month on the first and third Tuesday at 7:30 p.m. in the Municipal Building. All meetings are open to the public and residents are encouraged to attend. The regular Council meetings are broadcast via public access on cable television and via web stream on the village website, www.villagebeverlyhills.com.

The Council elects a president and president pro-tem. The president of the Council presides at meetings and is the ceremonial head of the Village. Each councilperson is a liaison to an advisory Board or Commission which make recommendations to the Council as a whole. From these recommendations, the Council makes its decisions.

Beverly Hills Parks

Beverly Hills is home to three wonderful parks and two nature preserves.

Beverly Park is located at 18801 Beverly Road and features amazing features such as a playground, tennis courts, sledding hill, disc golf course, and nature path – just to name a few!

Riverside Park is located along the Rouge River at Riverside Drive near Evergreen Road. Visitors can enjoy nature and utilize the picnic area.

Beverly Green will be undergoing development in the coming years. Beverly Green is the semi-circle parcel located at Beverly Road and Greenfield Road near the roundabout.

BEVERLY PARK PAVILION RENTAL

Beverly Hills residents can begin making reservations for the pavilion at Beverly Park on Wednesday, February 7th. The pavilion can be rented from one to eight hours between 9:00 a.m. and 10:00 p.m. from April 1 to November 30, 2024. Applicants must be at least 18 years old and provide proof of residency. Rental fees are as follows:

Residents \$75/first hour; \$15 each additional hour up to 8 hours
Non-residents \$150/first hour; \$30 each additional hour up to 8 hours
A \$250 damage deposit is also required for each reservation
There is an additional charge of \$20 for Friday, Saturday, and Sunday rentals.

There are picnic tables and grills in the covered pavilion area. Picnic tables must be returned to their original setup if moved during the rental.

New! Thanks to a grant received from the Birmingham Area Cable Board, the Beverly Park pavilion now has free public WiFi! The password is posted on the bulletin board at the pavilion.

If you have questions, please call the Village Office at 248-646-6404.

SCULPTURES IN THE PARKS

The Sculptures in the Parks Program will continue in 2024. Sculptures are on loan to the Village and are on display at the parks. Each sculpture has a sign at its base with a QR code linked to the Village website, so visitors can view more information about the artist and the work of art. Each sculpture is for sale and can be purchased by contacting the artist directly. If a sculpture is sold, the Village would receive a percentage of the sale.

NATURE PRESERVES

Beverly Hills is home to two beautiful nature preserves. These pieces of natural area in our urban community provide valuable green space in an otherwise developed area.

Douglas Evans Nature Preserve is located on Evergreen Road north of 13 Mile. The 18-acre area is restricted by deed to remain in its natural state. Public access is limited, however visitors are permitted to use the area for walking and nature study.

While dogs are permitted, they must remain leashed at all times and waste must be cleaned up properly. Allowing dogs to roam off-leash is prohibited and violation may result in a citation. Please do your part to keep our nature preserve beautiful.

The property was donated to the Village in 1973 with the restrictions prohibiting any developments. One exception was granted in 1992 when the Combined Sewer Overflow tank and control building were constructed. Special permission was granted from the donor and the natural area was restored after construction.

The site has been studied by numerous ecologists who note the value of the native plant species in the preserve.

Hidden Rivers Nature Preserve is located on the south side of 14 Mile Road east of Evergreen. The 15-acre area is restricted by deed to remain a natural area. The land peninsula is surrounded by branches of the Rouge River with the northern edge abutting a private golf course. The preserve serves as a valuable plant and wildlife habitat virtually undisturbed by humans.

Library Services

Since 1961 the Village has contracted with the Baldwin Public Library (City of Birmingham) to provide library services for Village residents. Through this contract Village residents also have reciprocal privileges at several other libraries in the area, although not with the Bloomfield Township Public Library. In 1992, the Village negotiated with the Baldwin Library Board of Trustees to extend its contractual arrangement indefinitely, instead of having to renegotiate every three years. In 2010 Beverly Hills voters passed a millage establishing a Special Revenue Fund for the Baldwin Library. For Fiscal Year 2023/24, payment to the Library is estimated to be \$586,173.

The Baldwin Public Library is undergoing an expansion and renovation of our Front Entrance and Circulation Area, which began in July 2023 and is expected to be complete in April 2024. This project is the third and final phase of a three-phase design project that started in 2017 with the renovation of the Adult Services area and continued in 2020 with the expansion and renovation of the Youth Room. The goal of the third phase is to create a welcoming, street-level entrance that can be used and enjoyed by all Library patrons, and we're excited to be adding study rooms, a new Friends of the Library sale area, and additional space for group work and collaboration.

The Baldwin Public Library offers a full range of services, all of which are available to the residents of Beverly Hills. Some of the services available include:

- Books, magazines, DVDs, video games, music CDs, and books on CD
- Downloadable e-books, audio books, music, magazines, movies, and television shows
- Computers with Internet access and free Wi-Fi
- Programs for all ages (including author visits, book clubs, story times, Learning in Retirement, computer classes, teen programs, etc.)
- Interlibrary loan
- Online databases, such as Consumer Reports, Lynda.com, Value Line, Reference USA and Mango
- Languages (both in the Library and from home)
- Home delivery service for those who cannot visit the Library
- Large print books
- Idea Lab with 3D printer, laser engraver, and computer design software.

Several Beverly Hills residents serve as officers on the Executive Board of the Friends of the Baldwin Public Library and actively work to improve the quality of library services. The Beverly Hills Village Council has an appointed liaison who regularly attends Baldwin Library Board meetings and facilitates communication between the two bodies.

The Baldwin Public Library provides the Beverly Hills Reading Center located at the Village office. The Beverly Hills Reading Center consists of titles in hardcover and paperback. There is also a Baldwin book return box at the Village office.

Location of the SOCRRA Compost Site: 1741 School Road, Rochester Hills, MI (south of Avon Road, between Dequindre and John R.)

Availability of screened compost: SOCRRA compost is returned to SOCRRA member communities for distribution to residents and for community gardening projects. Compost may also be picked up for free at the compost site at certain times (usually Saturday mornings). **For information on times, call the office at 248-288-5150 or www.socrra.org.**

Materials used to make SOCRRA compost: Leaves, grass clippings, other yard waste material collected from SOCRRA communities, and woodchips.

Recommendation for use: Mix SOCRRA compost with native soil on a 50-50 basis. SOCRRA compost is an excellent amendment and top-dressing for all gardens and lawns, and has been extensively used by local gardeners and some landscapers in Southeast Michigan.

Benefits of compost for healthy soils and water quality:

- | | |
|--|---|
| • Increases water-holding capacity of sandy soils. | • Suppresses certain soil-borne diseases. |
| • Enhances the permeability of clay soils. | • Prevents soil erosion. |
| • Slowly releases nutrients to plant roots. | • Degrades oils, pesticides, and other soil contaminants. |
| • Improves soil structure and tilth. | • Binds heavy metals carried by storm water runoff. |
| • Restores microbial populations. | |

Grass Recycling... As you mow your lawn, let the clips fall back on it. This adds nitrogen from the clippings to the soil and can cut fertilizer use by 30% or more.

Tips for best results:

- | | |
|--|------------------------------------|
| • Keep the mower blade sharp | • Keep the deck of the mower clean |
| • Cut the grass high - cut as often as necessary | • Cut when grass is dry |

Grass recycling can reduce the need for one fertilization application each season and also saves time.

Visit SOCRRA's website for answers to frequently asked questions about yard waste and composting: www.socrra.org or download the Waste Wizard app!

REMEMBER! Collection begins at 7 AM and containers MUST be removed by 7 AM the following day. Yard waste collection is from April 1st to December 10th.

Public Safety Department

PUBLIC SAFETY DEPARTMENT

The Village of Beverly Hills Public Safety Building is open 24 hours a day and 7 days a week. We are here to serve the Village residents. If you wish to pick up a copy of a police report, you will need to fill out Freedom of Information Act (FOIA) request. You can stop by during normal business hours and file your request. The Administrative Assistant will get back to you with your information.

LOBBY TELEPHONE

A telephone is located inside the front lobby on the south side of the building. Anyone needing to speak with the on-duty officer or file a report can use the telephone to speak with an officer immediately.

DISPATCH SERVICES

The Village of Beverly Hills contracts dispatch services to Birmingham Police Department which gives us a greater opportunity to increase the number of Village Public Safety Officers to patrol the Village.

HOW IT WORKS

Emergency Calls on 9-1-1
All 9-1-1 calls are automatically directed to the Birmingham Dispatch Center (24/7). This change will not result in any delays in reaching a professional police dispatcher. This service will include all cell phone 9-1-1 calls also. As always, 9-1-1 calls will be given highest priority. All residents are reminded to use 9-1-1 for true emergencies.

NON-EMERGENCY CALLS FOR PUBLIC SAFETY

Residents are urged to call (248) 540-3400 for all non-emergency calls. The Beverly Hills Public Safety Officers are here to serve you, and your calls are important to us. **Please utilize the following services.**

Press 1 for POLICE/FIRE Dispatch (Directly to dispatch)

Press 2 for the Supervisor on duty

Press 3 for the Detective Bureau

Press 4 for the Administrative Assistant

Press 5 for the Deputy Director

Press 6 for the Director

Press 7 for the Purchasing/Accounts Payable

Press 9 to dial by name.

COMMUNITY OUTREACH

The Beverly Hills Department of Public Safety is continually searching for ways to better serve and connect with the residents of the Village. Over the years the department has instituted several community outreach programs that have built and strengthened relationships throughout the community, disseminated information, enhanced services and actively sought out persons in need.

VACATION WATCH

Beverly Hills Public Safety offers to keep a watch on your home while you're on vacation or out of town. To request this service, visit the Public Safety Building or online at: www.beverlyhillspolice.com.

KNOX BOX

A Knox Box is a small, but secure, box that contains a key to one of the doors of your house. If you are familiar with the type of device used in real estate to allow access to realtors, this is something like that but much more secure. Every Knox Box in Beverly Hills can be opened with a key kept by the Beverly Hills DPS and no one else.

Normally, when officers respond to an emergency call and the location is locked, forced entry must be made. Making forced entry into a building not only results in damage to the occupancy but delays emergency crews in getting to those requiring assistance. To help with this problem (getting help to those in need) your Beverly Hills Department of Public Safety has begun a Knox Box Program. Homeowners purchase the Knox Box through the Beverly Hills Public Safety Department and when they are done using it we ask the homeowner if they would like to donate the box so we can distribute it to people who cannot afford it. For more

information on the Knox Box program, contact Lieutenant Robert Ginther at (248) 540-3417 or rginther@beverlyhillspolice.com.

FIRE INSPECTIONS AND PREVENTION

The Public Safety Department has a State Certified Fire Marshal who can answer any questions regarding Fire Inspection, Fire Alarms, and Carbon Monoxide Alarms. We are pleased to announce the Department has achieved an ISO Class 3 rating. Lieutenant Robert Ginther can be contacted by telephone at (248) 540-3417.

ALARMS FOR RESIDENTS

Officers respond to all alarms in the Village and investigate the incident quickly. If the alarm is a true alarm, the officers will determine the criminal violation, if any, and render a decision. However, if it is a false alarm, the officer will still investigate and conduct a thorough check of the home or business. The Officer will then leave a green card with documentation of the time and date of the alarm. Residents are permitted up to three false alarms in a calendar year without being charged. However, on the fourth false alarm there will be a charge of \$50.00. The fifth false alarm will be \$100.00 and the sixth false alarm will be \$200.00. Residents must

register their alarm with the Public Safety Department. There is a \$25.00 registration fee.

CHILD CAR SEAT SAFETY INSPECTIONS

Beverly Hills Public Safety has an Officer certified in Child Car Seat Installation and Inspection. This service is available to Village residents only. To schedule an appointment contact Sergeant Jeff Moore at (248) 540-3400 x4424 or jmoore@beverlyhillspolice.com.

SCHOOL LIAISON OFFICER

The Public Safety Department has a designated Officer assigned to all of the Birmingham Public Schools. The Liaison Officer specializes in juvenile crime, instructs children on matters pertaining to the school and attends athletic events after hours. The Public Safety Department is proud of the many officers who have aided in the community with the Birmingham Schools.

WASTE WIZARD

SOCRRA launched the Waste Wizard app to help people determine how to properly dispose of certain items. This comprehensive search tool has assisted residents of SOCRRA's twelve member communities to determine which materials can be reused, recycled, composted, or disposed. It's easy – visit <https://www.socrra.org/waste-wizard> or download the app on your phone. Then type the name of a waste item and the Waste Wizard will tell you how to recycle or dispose of it.

Tips for Using the Waste Wizard:

What is your item made of? When typing in an item, start with what it is made of. For example, instead of water bottle, type plastic water bottle. Identify the type of material your item is made from will help with the search results.

Keep it simple! Most of the entries in the Waste Wizard are one or two words, so no need to type out lengthy descriptions.

Download the app! Be sure to download the Waste Wizard app on your phone for easy access and use.

Clubs and Associations

BEVERLY HILLS LITTLE LEAGUE

Beverly Hills Little League is part of the world's largest organized youth sports program: Little League Baseball. Our local league is part of Michigan Little League District 4. Visit www.BeverlyHillsLittleLeague.org for more information on registration, locations, and schedules.

VILLAGE WOMAN'S CLUB OF BEVERLY HILLS

The Village Woman's Club of Beverly Hills sponsors fundraising events and returns the proceeds directly to community projects and programs that help students, seniors, and Villagers of all ages. Past projects include the entrance to Beverly Park, a bench, basketball court, flagpole and pond dredging at Beverly Park, pavilion landscaping and thermal imaging equipment for the Public Safety Department. In 2011 the club donated a bench to the Beverly School playground renovation. In April they announce the recipient of the scholarship program. They meet once a month and sponsor cultural events such as cooking classes, landmark tours, and book clubs. They participate in a monthly good will project like clothing drives, valentines for seniors, and public safety appreciation. Meetings are held once a month. Annual dues are only \$25. If you are interested in joining, please contact Eileen Abood 248-703-1142 or e-mail vwcbh@yahoo.com.

LIONS CLUB OF BEVERLY HILLS

The Beverly Hills Lions Club has been serving the Beverly Hills community for over 50 years! The Beverly Hills Lions are dedicated to serving our community needs through community service by helping to fund events. They provide a college scholarship stipend for a Beverly Hills high school senior who demonstrates community service accomplishments and involvement. The Lions Club helps sponsor the Memorial Day Parade and Carnival, Memorial Day Fun Run, Halloween Hoot, and Adopt-a-Road Clean Up along Lahser. They also host an annual Fall Festival in October at Beverly Park. The

Lions support a variety of causes and organizations such as Leader Dogs for the Blind, Juvenile Diabetes Foundation, Gigi's Playhouse, and other non-profit organizations that provide outstanding service to those in need.

Their motto is "TO SERVE" and they are looking for more Beverly Hills residents to join them in their efforts. They meet twice monthly for dinner with occasional guest speakers discussing topics of interest.

The Beverly Hills Lions Club has a great deal to offer and you will see the positive impact of your involvement immediately. They play a vital role in the community and strive to make Beverly Hills the best place to live. For further information and a membership packet, please call 313-492-8232, email bhmi.lions.info@gmail.com or visit their website at bhlions.org. If your desire is to give back to the community, then this is a fantastic group to join! The Lions Club invites you to have dinner with them so you can learn more about the events they sponsor, such as Project Kidsight and the annual Candy Cane Collection. Project Kidsight provides free vision screenings to children ages 6 months and up. It's fast, non-invasive, and has an accuracy rating of 98%. Screenings are held at Baldwin Public Library.

The Lions collect used eyeglasses and hearing aids at the Village Office, Southfield Township Office, and at the yellow mailbox outside of Books-a-Million at 13 Mile and Southfield Road. The annual Candy Cane Collection is held in late November to December. Proceeds support charities that assist the blind and speech and hearing impaired in the immediate area. Any support will be greatly appreciated!

Community Services

BIRMINGHAM BLOOMFIELD COMMUNITY COALITION (BBCC)

Whether it be the opioid or vaping epidemics to the high levels of stress and anxiety experienced by young people, the BBCC and its Youth Action Board (YAB) are in the forefront of addressing and preventing these issues in our community with a focus on youth.

The BBCC is a non-profit, 501 (c)(3) community-serving organization established in 1995 that focuses on youth substance abuse prevention, health and wellness. BBCC and its Youth Action Board (YAB) take a research-driven, evidenced-based approach in providing education, tools, activities, and support to help youth rise above life's challenges by making informed decisions about their safety, health and wellness, as well as encouraging adults to thoughtfully support them.

The YAB is a dynamic, diverse and inclusive group of local high school students that meet throughout the year and want to bring about positive change for their peers. By providing a platform for teens to have a positive voice and presence in the community, YAB teens demonstrate the positive choices teens are making.

To learn how you can be a part of the solution, contact the BBCC at (248) 203-4615, www.bbcoalition.org or Facebook, Twitter, Instagram.
